Your participation in the DRP will be effective from the dividend record date following the receipt of your application.

If you have any queries about the DRP please contact the Share Registry.

For further information about SCB please visit our website www.scarborouhequities.com.au or telephone 1300 762 678.

The main features of the DRP are set out below. Please also read the attached Plan Rules.

NUMBER OF SHARES RECEIVED

The number of shares you receive will be calculated by dividing the dividend payable to you by the DRP market price of SCB shares. The DRP market price will be based on the weighted average price of SCB shares sold on the Australian Stock Exchange (ASX) during the 5 trading days immediately prior to and inclusive of the record date for the relevant dividend, discounted by an amount determined by the Board of Directors from time to time.

COST

Any costs associated with the DRP will be met by SCB. The Plan enables you to acquire additional shares in SCB without incurring brokerage, commissions or other transaction costs.

WHO CAN PARTICIPATE?

The DRP is open to all Australian and New Zealand resident shareholders of SCB who have an Australian or New Zealand address recorded on the share register. Other shareholders may also participate in the Plan subject to the approval of the Board of Directors.

FLEXIBILITY

Participation in the DRP is optional. You may join the Plan, vary your election or withdraw from the DRP at any time. Any changes that you make will be effective from the record date following the election. You may also choose to have only a percentage of your dividend payment reinvested as part of the DRP (subject to minimum participation of 100 shares), with the remainder of the dividend being paid to you in cash rather than being reinvested.

If you sell your shares, the shares will no longer participate in the DRP.

If you wish to continue to receive all dividends in cash, you do not need to do anything.

SHARES RANK EQUALLY

Shares issued under the DRP will rank equally with existing SCB shares and will be listed on the ASX.

RESIDUAL AMOUNTS

Any residual amount of dividend that remains after calculating the number of shares that you will receive under the DRP, will be carried forward in your Plan account, and added to your next dividend for the purpose of calculating the number of SCB shares that you will receive under the DRP in respect of the next dividend.

TAXATION AND FINANCIAL ADVICE

Dividends that are reinvested as part of the DRP will be treated for tax purposes in the same way as dividends that are paid directly to shareholders. It is recommended that you obtain professional taxation and financial advice regarding your participation in the DRP.

DIVIDEND STATEMENTS

After the payment of a dividend you will be sent a statement containing information on the dividend payment and your participation in the DRP. The statement will include the record date, the total dividend payable and the extent to which it was franked, the numbers of shares allotted to you under the DRP, and the price at which they were allotted.

MODIFICATION OF THE DRP

The Directors may modify the terms of the plan or terminate or suspend the operation of the DRP in accordance with the Plan Rules.

The contents of this document does not constitute financial product advice provided by SCB. If you are considering participating in the Plan, you should obtain independent advice before deciding whether or not to participate.

9. **At what price will the shares be issued?**
Under the Plan, each share is issued at the Market Price, which is the weighted average price per share of all of SCB's shares sold in the ordinary course of trading on the Australian Stock Exchange in the 5 trading days immediately prior to and inclusive of the record date for the relevant dividend discounted by an amount determined by the Board of Directors from time to time in its absolute discretion.
- The Board may vary the amount of the discount to the Market Price from time to time in its absolute discretion.
10. **What does it cost to participate?**
Nothing. You will not be charged brokerage or other transaction costs on shares issued under the Plan.
11. **Will my additional shares be the same as my current shares?**
Yes. Shares issued under the Plan rank equally with existing fully paid SCB shares and SCB will apply for the shares under the Plan to be listed on the Australian Stock Exchange.
12. **Can I sell my shares issued under the Plan?**
Yes, at any time after the shares have been issued to you.
13. **What if I only sell a portion of my shares?**
If you sell some of your shares then, unless you advise SCB to the contrary, the shares sold will be taken to reduce firstly, your non-participating shares and secondly, your participating shares.
14. **When will I receive a notice?**
As soon as practicable after your shares are issued under the Plan, you will be sent a statement giving details of the dividend and your new shares.
15. **What about tax?**
For Australian tax purposes, dividends reinvested in shares are usually taxed as though a cash dividend is paid and the dividend is then applied to acquire shares. The amount of the dividend and any franking credits is included in assessable income, with a tax offset potentially available if (and to the extent) the dividend is franked. For capital gains tax purposes in Australia, shares issued under the Plan will have a cost base equal to the amount of the cash dividend which is reinvested.
- The tax position may vary for shareholders who are not residents of Australia, for shareholders who are not individuals and for shareholders who hold their shares other than for investment purposes. SCB does not take any responsibility for the taxation liabilities of shareholders under the Plan. **You should obtain independent advice in relation to the tax implications of participating in the Plan.**
16. **Can the Plan be changed or cancelled?**
Yes. SCB may at any time vary, suspend or terminate the Plan. You will be given notice of this.
17. **What if I have any enquiries?**
If you have further queries about how the Plan operates and how you can participate, please contact the SCB Share Registry, Advanced Share Registry Services, on telephone (08) 9389 8033.

This Summary contains important information. If you have any investment or taxation queries or have any doubt about whether to participate, you should obtain independent advice before deciding whether or not to participate.
