Notes:

- NTA backing is calculated for SCB and its controlled entities (SCB Group).
The SCB Group's investments are financial assets which are measured at fair value at month end. The fair value of listed securities are measured at bid price (where available) and last sale price (where bid price is not available) at month end and excludes disposal costs. The fair value of the Company's investment in the FSP Fund is valued at the unit price at month end published by FSP - such unit price reflects the net tangible asset backing of the fund and no buy/sell spread or exit fees are charged to the Company.
- The post-tax NTA backing per share is reported net of provision for tax liabilities on the SCB Group's net profit (including after any realised and unrealised gains on investments) after consolidation.
- 29,180,334 DLS shares at 4.4 cents each, being the closing bid price on 30 April 2008 (31 March: 29,180,334 shares at closing bid price of 3.9 cents each).
- Based on information provided by the Investment Manager, FSP Equities Management Limited.
- FSP Equities Management Limited (FSP) was appointed manager in December 2004
